Update 14 01/01/2019 – 169 forms submitted, press release issued and media coverage

Cliff Weight Delivers Requisitions to RBS

We now have received more than the required minimum 100 completed shareholder resolution requisition forms and Cliff delivered them to RBS, 280 Bishopsgate, London at 10am on 18th December 2018.

ShareSoc (with UKSA) has submitted resolutions to previous RBS AGMs requesting the implementation of an RBS Shareholder Committee.

We now have to wait until RBS confirm that the resolution has been accepted and will be put to the vote at the 2019 AGM. We expect that RBS will confirm this towards the end of January 2019 after their next Board meeting.

We issued a press release <https://www.sharesoc.org/sharesoc-news/small-shareholders-renew-bid-to-make-rbs-a-better-run-company/> .

This was reported by the influential trade magazine wealth magazine see <https://citywire.co.uk/wealth-manager/news/rbs-shareholders-push-for-second-corporate-governance-vote/a1186099>

We will seek, over the coming months, further publicity for our campaign and hopefully persuade even more shareholders to vote for our resolution at the 2019 AGM.
